YOUR PRACTICE. OUR PRIORITY.

17 years after: Myths and Facts of self-ligation

PROGRAM

Dr. Anghileri has been working with the Damon System for over 17 years. During this time he has evolved in different areas, such as diagnosis and treatment mechanics.

In this 3 hour lecture he is going to show us:

- Clinical cases, and for some of them, there will be a 10 year after analysis.
- New tips, to make your job easier.
- Myths about the Damon System
- TADs: the perfect combination with Self-ligation
- New approaches to solve difficult pathologies
